**HP
BUSINESS
DEVELOPMENT
MANAGER****WE'RE LOOKING FOR AN DRIVEN FORWARD-THINKER**

As a Business Development Manager, you will be responsible for managing and growing relationships with key HP distribution partners to drive revenue and market expansion.

This role involves identifying new business opportunities, negotiating contracts, and developing strategic plans to enhance partner performance. The BDM will collaborate closely with cross-functional teams, including sales, marketing, and product management, to ensure alignment with company objectives.

Key responsibilities include partner onboarding, performance tracking, and ensuring that distributors are equipped with the tools and resources needed to achieve success. The ideal candidate will have strong communication, negotiation, and analytical skills.

TO MAKE A REAL DIFFERENCE IN THESE AREAS**BUSINESS GROWTH**

- Create and execute strategic plans to drive revenue growth and business development
- Secure long-term partnerships that provide mutual benefits
- Develop and implement strategies to optimize partner performance
- Identify unmet customer needs or gaps in the market
- Follow up on sales inquiries, conduct presentations, and prepare proposals
- Conduct presentations, and prepare proposals

RELATIONSHIP BUILDING

- Identify and establish relationships with new distribution partners
- Network with potential partners and clients at industry events
- Manage relationships with existing clients and ensuring their satisfaction.

COLLABORTION

- Collaborating with the team to define business goals and key performance indicators
- Collaborating with the Category Team on stock and sales pipeline management
- Conducting regular check-ins with clients to assess satisfaction and identify opportunities

BRAND ALIGNMENT/REPRESENTATION

- Ensure alignment between distribution partners and company goals
- All internal and external communications consistently reflect the brand's tone of voice, values, and promises

PERFORMANCE ANALYSIS

- Monitor partner sales performance and provide regular reporting
- Monitor performance against sales targets and making adjustments as needed
